

Proposed Amendment
to the
By-Laws of the South Plains Astronomy Club

Purpose of the Amendment: To amend Article II, Section 1, Part b of the By-Laws of the South Plains Astronomy Club to increase the annual dues paid by Junior Members to that currently paid by Regular Members. Currently, the half basic yearly fee (\$7.50) that would be paid by a Junior Member would barely cover the dues that SPAC would pay to the Astronomical League for that Member.

Current text:

Article II of the By-Laws:

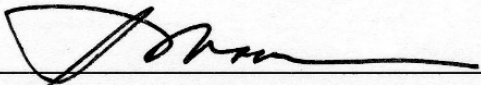

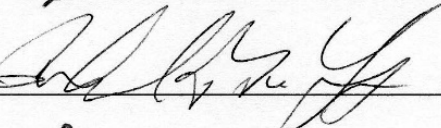

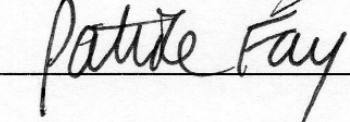

"Section 1, Part b – Junior Membership – one half of the basic yearly fee, plus any cost resulting from the provisions of any contract made with any publication, if such is in effect."
